

Matric Number:2341639

Name:Farrahn O'Hara

Year:BVMS1

Date: January 2018

Assessor:Aly Young

Please grade each of the areas using S (satisfactory), N/A (not applicable) or NS (not satisfactory). Your assessment should reflect what you would reasonably expect of a veterinary undergraduate student progressing from foundation to clinical phase. Any NS skills should be indicated in the comments box along with other feedback.

Examination	Notes	Feedback
<i>Appropriate clothing and appearance</i>	Eg. clean overall, wellington boots, waterproof over trousers, jacket, long hair in top knot, no visible piercings, short, unpolished nails	S
<i>Safely approach the cow</i>	Approaches animal in a safe and appropriate manner. Does not cause undue alarm to the animal.	S
<i>Move/shed the 'candidate' cow away from the group towards the race or adjacent pen</i>	Induces the selected animal to move in a manner appropriate to its level of compliance without causing it undue alarm. Stands in an appropriate position and uses appropriate body language.	S
<i>Direct the cow through the race or into an adjacent pen</i>	As above without compromising their safety or that of the animal.	S
<i>Apply a rope halter</i>	Where a cow is restrained in a crush or in locking headgates, applies halter without causing harm or distress to the animal. Finishes with it correctly positioned, at an appropriate tension and tied to a secure point using a secure quick release knot.	S
<i>Remove the halter</i>	Safely removes the halter without causing harm or distress to the animal	S
<i>Demonstrates compassion, care and due respect to animal and owner</i>		S
<i>Observe and adhere to relevant regulations regarding health and safety</i>		S

Overall Outcome:

Competent
